Global Smokefree Partnership

Politiche di controllo del tabagismo: dallo Sviluppo all'Implementazione

Antonella Cardone

globalsmokefreepartnership

- La **Global Smokefree Partnership** è un'iniziativa multipartner formata per promuovere politiche di controllo del tabagismo nel mondo

Governance

- La partnership è ospitata dall'**American Cancer Society** e dalla **Framework Convention Alliance**
- Dal 2007 è stato istituito uno Steering Group del quale fanno parte rappresentanti delle 15 organizzazioni partner ed un Management Team
- GSP ha oltre 500 membri in tutto il mondo

Partner e Steering Group

Cosa fa la GSP

La partnership lavora supportando medici e advocates che si occupano di politiche di controllo del tabagismo nell'ambito di:

- a. **Accesso** all'evidenza per le politiche di controllo del tabagismo
- b. **Assistenza** fornendo una rete di esperti
- c. **Azione** a supporto delle politiche di controllo del tabagismo

a. Accesso all'evidenza per le politiche di controllo del tabagismo

- Ottenere i dati sui pericoli per la salute derivanti dal fumo passivo
- Trovare un fondamento logico per politiche di controllo del tabagismo
- Accedere all'evidenza sull'impatto economico e sulla salute delle politiche di controllo del tabagismo
- Apprendere da esperienze di vita reale che dimostrano il successo delle politiche di controllo del tabagismo nel mondo

b. Assistenza accedendo ad una rete di esperti

- Assistenza tecnica
- Sviluppo di strategie di controllo del tabagismo ed implementazione
- Assistenza per sviluppo di capacity-building
- Sviluppo di materiale/risorse sul controllo del tabagismo

c. *Agire a supporto delle politiche di controllo del tabagismo*

- Ottenere informazioni su come organizzare campagne per le politiche di controllo del tabagismo
- Accedere a risorse chiave orientate all'azione
- Partecipare in campagne ed altre iniziative che richiedano supporto (Global Voices Campaign)
